

CONSULTING OPPORTUNITIES: TURNAROUND EXPERTS FOR GTI HANDHOLDING® SCHEME

The Consulting Opportunity

GTI Capital Group seeks to engage the services of independent consultants to help drive its rapidly expanding HandHolding® scheme. The HandHolding® scheme is designed to orchestrate not only the improved performance of good businesses and ideas but also for strengthening the performance of weak and ailing organizations. It is a corporate repositioning model that facilitates a thorough understanding of an organization's challenges, articulates feasible solutions to identified problems, facilitates the financing of the designed solution as well as drive and manages the performance of the developed strategy. HandHolding® interventions are professionally executed through time-tested and dependable turnaround experts working in various areas critical to organizational performance.

Areas of Expertise

We need qualified turnaround consultants/experts in the following areas:

1. Finance and accounting
2. Strategy design, implementation and control
3. Performance management
4. Selling and marketing
5. Production process optimization

Project Location: Lagos

Minimum Required Experience

Our consultants are expected to meet the following **minimum** requirements:

- a. 15-years' work experience out of which five years must be at the executive management level and with proven records of achievement
- b. Masters degree and relevant professional certifications will be an advantage
- c. A minimum of five projects in areas of expertise demonstrably executed successfully
- d. Innovative with a good sense of judgement
- e. Customer focused and result driven
- f. Strong and effective communication skills

How to Apply

Interested and qualified candidates should forward their **Application** and **Curriculum Vitae** to handholding@gti.com.ng on or before June 30, 2019.
